19 -Moucherolle de paradis ou le Tchitrec de paradis –African paradise flycatcher- *Tersiphone viriolis*

20 - Phragmite des joncs - *Sedge warbler - Acrocephalus schoenobaenus*

21 - Prinia modeste - Tawny-flanked prinia - Prinia subflava

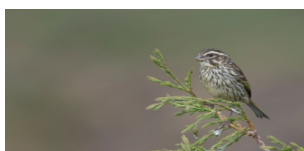

22 - Rousserolle à bec fin - Lesser swamp warbler -Acrocephalus gracilirostris

23 - Rousserolle effarvatte - *Eurasian reed warbler - Acrocephalus scirpaceus*

24 - Serin à diadème – *Western citril - Serinus frontalis*

25 - Serin strié– *Streaky seedeater* – *Serinus striolatus*-

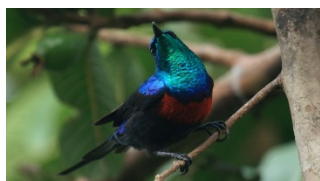

26 -Serin du Mozambique –*Yellow fronted canary- Serinus mozambicus*

27 -Serin à la capote jaune - *Yellow-crowned canary - Serinus flavivertex*

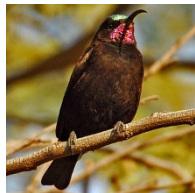

28 - Serin soufré - *Brimstone canary - Serinus sulphuratus*

29 - *Souimanga à ceinture rouge - Red-chested sunbird - Cinnerys erythrocerus*

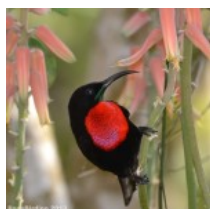

30 -Souimanga à collier –Collared sunbird- *Hedydipna collaris*

31-Souimanga améthyste – Amethyst sunbird – *Nectarinia rubescent*

32-Souimanga à ventre jaune- *Variable sunbird- Nectarinia venusta*

33 - Souimanga à poitrine rouge - *Scarlet chested sunbird - chacomitra-senegalensis*

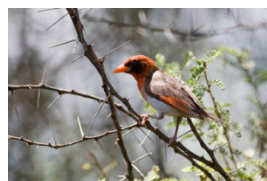

34 –Souimanga à tête verte – *Green-headed sunbird - Cyanomitra verticalis*

35 - Souimanga de Mariqua - *Mariqua sunbird - Cinnyris mariquensis*

**36 - *Tchagra à tête noire - Black-crowned tchagra- Grysborstjagra*
*Kaptschagra***

**37 - Tisserin à bec rouge ou Alecto à bec rouge – *Red-headed weaver-*
*Anplectes rubriceps***

Oiseaux observés au Bugesera Lodge- 2018

38 - Tisserin à lunettes- *Spectacled weaver- Ploceus ocularis*

39 - Tisserin à tête noire – *Black-headed weaver -*

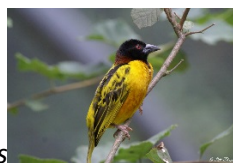

Ploceus melanocephalus

40 -Tisserin de Reichenow -

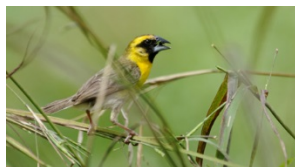

Reichenow's weaver – Ploceus baglafecht reichenowi

41 - Tisserin gendarme – *Village weaver - Ploceus cucullatus*

42 - Tisserin gros bec –

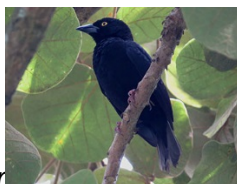

Compact weaver - Ploceus superciliosus

43 - Tisserin intermédiaire - *Lesser masked weaver- Ploceus intermedius*

44 - Tisserin noir – *Vieillot's weaver*

- Ploceus nigerrimus

45 - Tisserin safran - *Holub's golden-weaver -Ploceus xanthops*

Oiseaux observés au Bugesera Lodge- 2018

46- Travailleur à tête rouge –

Red billed quelea- Quelea quelea

47 - Travailleur cardinal. - *Cardinal quelea - Quelea cardinalis*

48 - Veuve dominicaine -

Pin tailed whydah - Vidua macroura

49 -Zostérops jaune – *African yellow white-eye zosterops senegalensis*

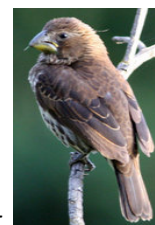

Zosterops

Les pas trop gros : entre 11 et 25 cm

50- Agrobate à dos roux -

Red-backed scrub-robin - Cercotrichas leucophrys

51 -Amblyopsiza à front blanc – *Grosbeak or thick-billed weaver-*

Amblyospiza albifrons

52 -Bergeronnette pie

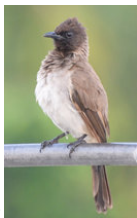

- African pied wagtail- Motacilla aguimp

Oiseaux observés au Bugesera Lodge- 2018

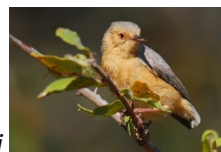

**53 - Bruant à poitrine dorée - African golden-breasted bunting-
*flaviventris-***

Emberiza

54 -Bulbul des jardins –

Common bulbul- Pyconotus barabatus

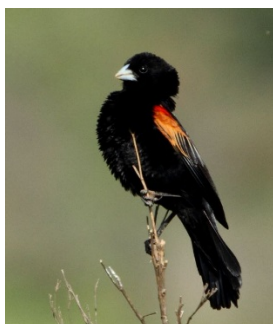

55 - Combrec à face rousse - Red-faced crombec - *Sylvietta whytii*

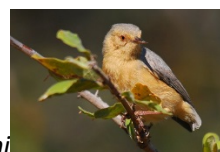

56 - Euplectre ignicolore-

Southern red bishop/red bishop -Euplectes orix

57 - Euplectre à épaules orangées -

Fan-tailed widowbird - Euplectes axillaris

58 -Cossype de Heuglin - White-browed robin-chat - *Cossypha heuglini*

59 -Cossype du Cap - Cape Robin chat - *Cossypha caffra*

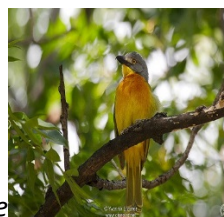

Oiseaux observés au Bugesera Lodge- 2018

60 - Cratérope brun - *Brown babbler -Turdoides plebejus*

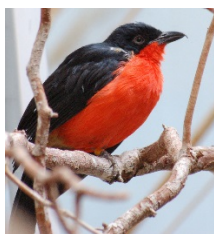

61 --Drongo brillant - Fork-tailed drongo *- Dicrurus adsimilis*

62 - Gladiateur de Blanchot *Grey-headed bushshrike* *- Malaconotus blanchoti*

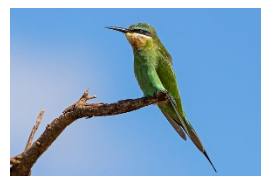

63 -Gonolek boubou- Tropical boubou- Laniarius ferrugineus

64 - Gonolek à ventre rouge. *Black-headed gonolek- Laniarius erythrogaster*

65 – Guêpier nain –Little bee-eater *Merops pusillus*

66 - Guêpier de Perse – Blue-cheeked bee-eater - Merops persicus

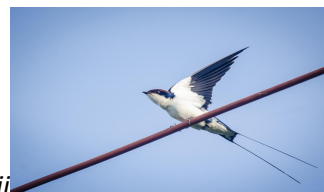

Oiseaux observés au Bugesera Lodge- 2018

67 - Guêpier montagnard ou à collier bleu- *Cinnamon-chested bee-eater- Merops variegatus oreobates*

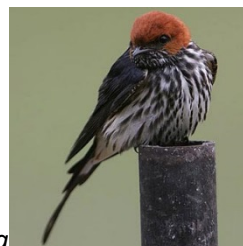

68 - Hirondelle à collier – *Banded martin - Riparia cincta*

88 - Calao couronné-

Crowned Hornbill - Tockus alboterminatus

Oiseaux observés au Bugesera Lodge- 2018

89 - Calao à joues argent - *Silvery-cheeked hornbill-* *- Bycanistes brevis*

90 - Calao siffleur– *Trumpeter hornbill – bycanistes sharpii*

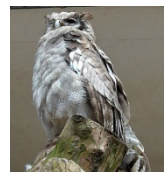

91 - Cerf-volant à épaulettes noires *Black-shouldered kite- Elanus axillaris*

92 - Coucal à nuque bleue – *Blue- headed coucal - Centropus monachus*

93 - Coucal à sourcils blancs –*White-browed coucal -* *Centropus superciliosus*

94 - Grand-duc de Verreaux –*Verreaux's eagle owl –* *Bubo lacteus*

95 - Gymnogène d'Afrique – *African harrier hawk- Polyboroides typus*

Oiseaux observés au Bugesera Lodge- 2018

96 - Héron cendré - *Grey Heron - Ardea cinerea*

97 - Milan- Black Kite- *Milvus migrans*

98 - Touraco de Lady Ross- *Ross' Touraco- Musophaga rossae*

99 -Touraco à ventre blanc- *White-bellied go-away-bird- Corythaixoides leucogaster*

Les « un peu » moins gros :

100 - Craterope fléché- *Arrow-marked babble - Turdoides jardineii*

101 - Chevêchette perlée - *Pearl spotted owlet - Glaucidium perlatum*

Oiseaux observés au Bugesera Lodge- 2018

102- Chouette effraie – *Barn owl - Tyto alba*

103 - Coliou barré ou rayé- Speckled mousebird- *Colius striatus*

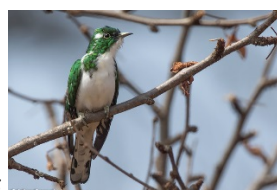

104 – Coliou huppé - *Blue-naped mousebird - Urocolius macrourus*

105 - Colombar au front nu – African green pigeon - *Treron calvus*

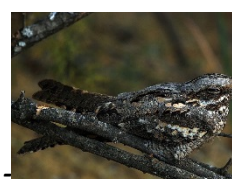

106 - Corbeau pie – *Pied crow - Corvus albus*

107 - Coucou de Klaas- Klaas cuckoo- *Chrysococcyx klaas*

108 - Coucou de Levillant- *Levillant's Cuckoo - Clamator levillantii.*

109 - Engoulevent à épaulettes noires - Black shouldered nightjar - *Caprimulgus nigriscapularis*

Oiseaux observés au Bugesera Lodge- 2018

110 - Engoulevent musicien - Fiery-necked Nightjar -

- Caprimulgus pectoralis

111 - Étourneau améthyste/Merle Violet à ventre blanc
Violet-backed starling-Cinnyricinclus leucogaster

Merle Évêque -

112 - Faucon crécerelle-

- Common krestel - Falco tinnunculus

113 - Faucon hobereau- Eurasian hobby - Falco subbuteo

114 - Fauconnet d'Afrique ou faucon pygmée
semitorquatus

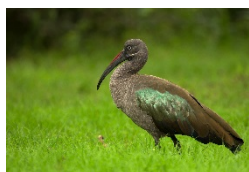

- Pygmey falcon-Polihierax

115 - Ibis falcinelle –Glossy Ibis -

Plegadis falcinellus-

116 - Ibis Hadedash -

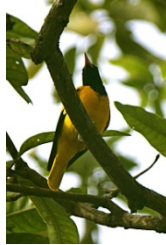

Hadada ibis - Bostrychia hagedash

Oiseaux observés au Bugesera Lodge- 2018

117 - Ibis sacré- African sacred Ibis-*Threskiornis aethiopicus* -

118 - Lorient à tête noire ou lorient masqué- African golden oriole- *Oriolus larvatus*

119 - Merle africain – African thrush – *Turdus pelios*

120 -Merle métallique à longue queue – Rupell's long-tailed starling- *Lamprolornis purpurascens*

121 - Perroquet de Meyer – Meyer' parrot- brown parrot - *Poicephalus meyeri*

122 - Pie grièche – Common fiscal – *Lanius colloralis*

123 - Pie grièche à dos noir -Northern fiscal -*Lanius humeralis*

124 -Tourterelle à collier – Red-eyed dove- *Streptopelia semitorquata*

125 -Tourterelle du cap -Ring-necked dove- *Streptopelia capriciola*

126 -Tourterelle émeraude - Emerald-spotted wood dove - *Turtur chalcospilos*

127 -Tourtelette améthyste Blue-spotted wood dove- *Turtur afer*

128 -Tourterelle maillée - Laughing dove – *Streptopellia Senegalensis*

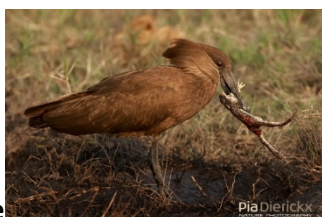

129 -Tourterelle tambourette ou colombe - *Tympanistria* - Tambourined dove- *Turtur*

Les « derniers trouvés »:

130 -

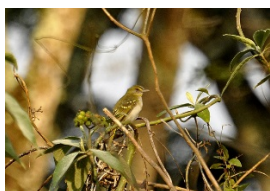

131- Camaroptère de Miombo – Miombo wren Warbler - *Calamonastes undosus*

132 Ombrette africaine – Hamerkop - *Scopus umbretta*

133- Hirondelle à tête blanche - White-headed saw-wing- *Psalidoprocne albiceps*

134 Bubul à gorge verte Yellow throated greenbul - *Arizelocichla chlorigula*
